

The diagram shows a laboratory layout with two main rooms. The top room is labeled 'Hlavní zdroje N<sub>2</sub>O a CO<sub>2</sub>' and contains a horizontal manifold with four valves and four gas cylinders. The bottom room is labeled 'Záložní zdroje N<sub>2</sub>O a CO<sub>2</sub>' and contains a vertical manifold with four valves and four gas cylinders. Both rooms have a door on the right side. The entire facility is enclosed in a larger room with a door at the bottom.

Hlavní zdroje
